This yearbook has required the skills and dedication of a group of individuals who have managed to fit the work into their already busy schedules. Staff members have been in band, drama, forensics, National Honor Society, Student Council, B.P.A., and numerous sports while maintaining good grades. Some of them held part time jobs as well. For yearbook they have found time to sell ads, to sell books, to take pictures, to contact coaches for information, to design pages, to write copy and to proof the completed work. All of this is done outside of school hours. Some of it isn't finished until the end of June. The rewards for this are small. The staff doesn't even get free books.

By purchasing a '96 Huskie, you've offered your support to these hard workers. In five or ten or even forty years, these pages will be reminders of good times, of friendships and rivalries, and of those details we think we'll never forget.

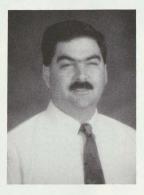

I thank the staff for making my fifth (and last) year as advisor a pleasure.

Retirements

A combined 117 years of experience

Senior English is finally over!

After thirty years the time has come to say goodbye. It has been my great privlege to work with a wonderful staff and the fine young people of Hemlock High School. Throughout these past years, there have been many, many wonderful memories and experiences. I have tried to instill a love to learning and of writing in 'my students.'' I wanted ''my students'' always to be the best wherever their paths led. As I leave this profession of which I am so proud, I look back with fond memories, and I look forward with anticipation. May the road rise to meet you. May the wind be always at your back. May the sun shine warm upon your face, the rain fall soft upon your fields and until we meet again ... May God hold you in the palm of His hands. (Irish Blessing) Sincerely, Kathryn M. Horner

Mr. Hogan hands out one last award.

I've enjoyed working with the staff and students of Hemlock High School. My best to everyone. My last thoughts are to look forward and enjoy life, and never give up. Dennis Hogan

I've tried to think of some profound words to sum up my career, but none seem to fit. In the twenty-seven years I've spent here in Hemlock I've experienced successes, failures, frustrations, and joys. I've made friends and enemies. I've laughed and cried. I've seen innovation and renovation. The building has grown in size, the enrollment has risen and fallen, and new faces on staff have come and gone. My memories are rich ones indeed. One of my goals has been to make learning fun. I hope I succeeded somewhat in that. My wish for all of my students is that they may have careers which are as difficult to leave as mine. Best Wishes, Jeap Goward

This year brought back some memories of years gone by for moticed at our homecoming game vs Merrill that we had 62 b members on the field, 20 Cheerleaders, 20 Pom-Pon, and a Varteam of 31 players. It seemed great to see so many of Hemlo students taking part in a great game. Our team played well and the first homecoming game in many years. I know our seniors we very pleased to help in this victory. Total students participating fall sports was about 250 out of our 500 students. Great job H LOCK STUDENTS.

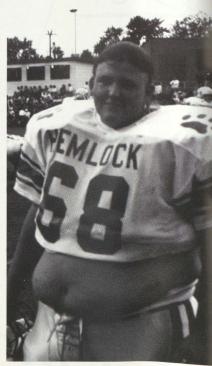

We had a good year that I hope will make all of our players proud to have been a part of. We had some big victories and so tough losses. I want to wish our Seniors the very best and I look ward to working with the Juniors next year. Thanks to everyone supporting our team.

The Hemlock football program is progressing in the positive direction. The Varsity and JV programs have been on the win ning side for the past three years. This past year the Varsity football team had 16 Juniors that played and earned letters. With a JV team that went 7-2 to help out next year, we are looking for a great 1996-97 football year. Coach Taylor

Hemlock Varsity Basketball

This years Girls Varsity Basketball Team included five seniors and eight juniors with eight returning letter winners. Although the girls struggled early, everyone worked hard to maintain a positive attitude to overcome four overtime losses and six straight games on the road as the Lady Huskies adopted the motto "it's now or never".

The second half of the year was highlighted with a convincing victory over Carrollton as the talented Huskies played their best game of the year. Senior Liz Mulvaney was selected 2nd team All-Conference, Lisa Hill and Kelley Ludlum were also selected Honorable Mention All-Conference. Lisa Hill was also chosen MVP by her teammates.

Kelley Ludlum was given the "Coaches Award" by Coach Adams for her leadership skills and willingness to create and promote team spirit.

As the Varsity Girls coach I found this year to be very rewarding with its share of ups and downs, however I will always remember this group of girls as wonderful to work with, never giving up, and always sticking together as a team. Mr. Adams.

To the seniors — GOOD LUCK!!! We will always miss you!!!

Hemlock Junior Varsity Basketball

Congratulations are in order for the Girls JV Basketball team. They finished the season with a 15 and 5 record. This finish earned them second in the Tri-Valley West, behind Merrill.

The key to this team's winning record was the contributions that every player made at some point in the season. Jamie Bauman led the team in scoring with 220 total points and averaging 11 points per game. Shanna Bedford was also consistent scoring, contributing 9.4 points per game and 188 points on the season. Although Sarah Smith only averaged 7.4 points per game, she led the team in rebounding and is developing into a decent post player. The most surprising development came from Janae Kumar, who through the strength of her good personality developed into an off court leader of this team.

Overall, the season was very successful, but like every season there are the high and low points. The low points for Cheryl Siler and Jenny Warner were undoubtably the injuries of their respective ankles. Although both ladies sat out four games, each one battled back after her injury and finished the season strong.

As the Hemlock JV coach I look forward to watching this group of ladies battle for the Tri-Valley West Championship in the coming years. Mr. Blower

The year 1995 proved to be another excellent year for the Huskie golf team. Despite finishing the season with a 6-7 dual match record and a third place standing in the TVC West Conference, the team had many reasons to be proud. The team placed in the top three in every tournament it participated in except one and capped its fine season by repeating as the Class C Regional Champion.

This fine showing propelled the Huskie golfers into the Class C state championship for the third consecutive year giving them yet another opportunity to display their talents. After narrowly making the Top 10 cut on the first day of competition, the Hemlock golfers moved up three spots to finish in 7th place over all for the team's third consecutive top 10 state finals finish.

To be elected into membership, the student has to have a cumulative grade point average of at least 3.3, must show leadership and character, and must perform volunteer service for the school or community. This year's service hours totaled 2, 767 which is an impressive amount. NHS advisor Belinda Bugni provided great leadership and dedication. She deserves many thanks for her help.

Well, that's us, the foreign exchange students of the class of 96! Our time in Hemlock is almost over, and before we leave we have some things to say. There are so many people who have helped us to make this year so wonderful and incredible. Thanks to all of you! But a very special "Thank You" belongs to the Hernandez-family (Lalo's hosts), the Kienitzes and Williams (Nadia's hosts), the Najawicz-family (Iglika's hosts) the Kanuszewski-family (Betty's hosts), the Crawfords (Henrik's hosts), and the Crossetts (Ralf's hosts)! These families have given us the love, support and guidance to make it through this unforgettable time. We also want to thank all of our friends, especially Betsy, Allison, and Jessy, who really helped us a lot to become "Americanized"! We discovered many differences between Hemlock and our homes. One thing is the high school spirit which is very uncommon at our schools. That also includes the faculty members who sacrifice a lot of their time to coach, to lead the yearbook, drama or other staff and activities, as well as raising the money to hand out scholarships. They are the ones who make Hemlock High School feel like home. We'll never forget the time we could spend here. Good-bye everybody, until we meet again!

BIGGER FASTER STRONGER

THE BIGGER FASTER STRONGER CLINIC WAS HELD IN MARCH AT HEMLOCK HIGH SCHOOL. WE HAD 196 STUDENT ATHLETES ATTEND THE CLINIC AND ALL PARTICIPATED DURING THE DAY. THE ATHLETES WERE GIVEN INSTRUCTION IN PROPER WEIGHT TRAINING TECHNIQUES, STRETCHING, FLEXIBILITY, AGILITY, AND SPEED TRAINING. IT WAS A GREAT DAY FOR HEMLOCK ATHLETICS AND WE FEEL STRONGLY THAT OUR ATHLETIC TRAINING PROGRAM WILL BE GREATLY IMPROVED NEXT YEAR. HEMLOCK FOOTBALL 1996
